EXECUTIVE ORDER No. 1-2021

**EXECUTIVE ORDER CREATING THE RED TAPE RELIEF ADVISORY COUNCIL  
TO IMPLEMENT REGULATORY REFORM**

WHEREAS, Montana's strong economic growth is essential to ensuring our residents and our children are able to find good-paying jobs and raise their families in Montana;

WHEREAS, excessive government regulation can impose high compliance costs, inhibit job growth, delay or deter expansion of existing businesses, impede private sector investment, and increase prices paid by consumers for goods and services;

WHEREAS, Montana citizens, farmers, ranchers and business owners are required to spend too much time and resources understanding and complying with the regulations set forth in the Administrative Rules of Montana, which exceed 4.7 million words and would require an average reader 263 hours (or almost 7 weeks) to read;

WHEREAS, it is in the best interests of Montana citizens and businesses to reduce the regulatory burdens imposed on them whenever and wherever possible, while continuing to protect public health and consumer safety.
